

Net and Wall Games with Max

Learning objective: To learn how to control a ball and understand how to score points in net and wall games.

Max the monkey loves playing sports. Help him solve these puzzles about net and wall games. Read each question carefully and write your answers in the boxes below.

Word bank: Net · Wall · Racket · Point · Bounce · Court

1. Max is playing a game where he must hit a ball over a net. Name one piece of equipment Max could use to hit the ball. (1 mark)

2. If you hit the ball against a flat surface and it bounces back to your partner, what kind of game are you playing? (Hint: Think about a wall!) (1 mark)

3. In a net game, if your opponent misses the ball and it hits the ground, what do you win? (1 mark)

4. Why is it important to watch the ball closely when it comes over the net? (2 marks)

Draw: Draw a picture of Max the monkey playing a game on a court. Show the net in the middle and a ball in the air.

Extension challenge: Max wants to buy a new ball for £4.50. He has a £5 note. How much change will Max get back?
