- The striker uses a bat to hit the ball as far as they can into the field.
- Fielders work as a team to stop the ball and return it to the bowler quickly.
- When you are the striker, remember to run between the bases to score points.
- Always keep your eyes on the ball when you are fielding to make a safe catch.
- Fair play is the most important rule; be kind and encourage your teammates!

Did you know? Did you know? In a game of rounders or cricket, a fielder can catch the ball before it touches the ground to get the striker out! This is called a 'catch out'.
