

The Kindness Advent Calendar

Learning objective: To understand that kindness is about sharing and caring for others during the festive season.

Colour in the scene and think about a kind act you can do today. Write your idea on the star at the top of the tree.

Colour this: A large, friendly Christmas tree in the centre. Ellie the elephant is standing next to the tree, carefully hanging a heart-shaped ornament on a branch. The tree has numbered squares on it like an advent calendar. Under the tree, there are several wrapped gift boxes with simple patterns like stripes and spots. At the very top of the tree is a large, blank star shape for the child to write in. The background is simple and clean, with soft snowflakes falling.

Steps:

1. Label the star at the top of the tree.
2. Label the presents under the tree.
