

Thinking About Life and Hope

Learning objective: To express ideas about hope, memory, and the idea of life continuing through a creative drawing.

Follow the steps below to create your drawing. Use your imagination to show what 'peace' and 'new beginnings' look like to you. You can use colours that make you feel calm and happy.

Draw: Draw a peaceful landscape scene. Include a bright, warm sun in the corner to represent light. In the centre, draw a beautiful, growing tree or a field of flowers. Use bright, gentle colours like yellow, light blue, and green. Leave space at the bottom of the page for your sentence.
