

Rosa's Rhythmic Body Parts Quiz

Learning objective: To identify and recall Spanish vocabulary for parts of the human body and apply them to simple descriptive phrases.

Join Rosa the parrot for a quick linguistic flight! Read each question carefully. For multiple choice, select the correct letter. For True/False, write the full word. Use the word bank to help you with spelling.

Answer Key: 1. A (cabeza), 2. False (nariz is nose), 3. Ojos, 4. C (manos), 5. True, 6. Piernas, 7. D (orejas), 8. False (pies are feet), 9. Boca, 10. True. Explanation: Rosa reminds pupils that 'el' and 'la' are used before body parts to show gender in Spanish grammar.

Word bank: cabeza · ojos · nariz · boca · brazos · manos · piernas · pies · orejas · cuerpo

1. 1. What is the Spanish word for 'head'? A) cabeza* B) cara C) pelo D) cuello (1 mark)

2. 2. True or False: The Spanish word 'nariz' means 'eyes'. (1 mark)

3. 3. If you are looking at something, which body part are you using? (Translate 'eyes' to Spanish) (1 mark)

4. 4. Which of these is the Spanish word for 'hands'? A) brazos B) dedos C) manos* D) pies (1 mark)

10. 10. True or False: In Spanish, 'brazos' refers to the arms. (1 mark)

Draw: Draw a friendly robot and label at least five body parts using the Spanish vocabulary from the word bank.

Extension challenge: 1. Explain why Spanish uses different articles (el/la) before body parts compared to English. 2. Compare and contrast the structure of the human body with an animal of your choice; describe two differences using Spanish nouns. 3. Justify your answer: Why is it helpful to learn body parts in a second language when travelling? 4. What might happen if you mislabelled a medical diagram in a Spanish-speaking hospital? 5. Create a four-line poem in Spanish using at least three body part words. 6. Research: Do all body parts in Spanish follow the same gender rules? Provide examples.
