

Rosa’s Spanish Days of the Week Word Mat

Learning objective: To identify, spell, and use the seven days of the week in Spanish, understanding their structure and sequence.

Key Vocabulary

Use this vocabulary mat to help you memorise the days of the week. Remember that in Spanish, days of the week are not written with a capital letter unless they start a sentence. Our friend Rosa the parrot suggests saying them aloud to practice your pronunciation!

Explain why Span...	If today is 'martes...	Compare and con...
