

Rosa's Hobbies Adventure: ¡Los Pasatiempos!

Learning objective: To use accurate Spanish vocabulary to describe personal hobbies and identify verb conjugations in the first person.

Rosa the parrot is busy interviewing her friends about their favourite hobbies. Look at the speech bubbles below. You must match the hobby description to the correct friend, then complete the translation task. For the 'Greater Depth' section, justify why certain hobbies might be more popular than others based on the physical characteristics of our characters.

Word bank: jugar al fútbol · leer libros · tocar la guitarra · dibujar · nadar · cocinar

1. Max says: 'Me gusta correr por el campo y patear un balón.' Which hobby is Max describing? Write the Spanish phrase and the English translation. (2 marks)

2. Pip says: 'Me gusta pasar horas con una historia en mis manos.' Translate this hobby into Spanish. (2 marks)

3. Finn the dolphin says: 'Me encanta estar en el mar.' Which verb from the word bank best fits his hobby? (2 marks)

4. Zara is artistic and uses colours to create patterns. Write a sentence in Spanish saying 'I like to draw' using the correct verb form. (2 marks)

5. Explain why Finn might find it difficult to 'tocar la guitarra' compared to Kit the fox. Justify your answer using knowledge of their anatomy. (3 marks)

6. Compare and contrast the hobbies of a bird like Rosa and a land animal like Leo. What might happen if they tried to swap hobbies for a day? (3 marks)

Draw: Draw yourself participating in your favourite hobby. Include a speech bubble in Spanish that says 'Me gusta...' followed by your chosen activity.

Extension challenge: Write a short paragraph (50 words) in Spanish explaining your three favourite hobbies. Use the structure: 'Me gusta [hobby 1], también me gusta [hobby 2], pero mi favorito es [hobby 3].'
