

Rosa's Spanish Calendar Diary

Learning objective: To learn and write the months of the year in Spanish.

Hello! I am Rosa the parrot. I love teaching my friends how to say the months in Spanish. Use the word bank to help you complete your calendar diary. Write the Spanish word for each month and tell me one thing you like about that time of year.

Word bank: enero (January) · febrero (February) · marzo (March) · abril (April) · mayo (May) · junio (June) · julio (July) · agosto (August) · septiembre (September) · octubre (October) · noviembre (November) · diciembre (December)

1. Write the Spanish month for the time of your birthday and why you like it: (2 marks)

2. Which Spanish month is the start of the year? Write it here: (2 marks)

3. Write the Spanish name for the month we are in right now: (2 marks)

4. Choose a summer month in Spanish and tell me an activity you do then: (2 marks)

Extension challenge: Can you draw a picture to match one of your Spanish months? For example, draw a sun for 'julio' or a snowflake for 'diciembre'.
