

Rosa's Spanish Months: A Year in Spain

Learning objective: To recall, spell, and use the twelve months of the year in Spanish, and understand their relationship to seasonal changes.

Use these flashcards to practise your Spanish vocabulary. Rosa the Parrot suggests saying each word out loud to perfect your pronunciation. For the Greater Depth section, think about how the seasons in Spain might differ from your experience in the UK.

What is the Spanish word for January?

enero

What is the Spanish word for February?

febrero
