

Rosa’s Transport Vocabulary Mat: Spanish Explorations

Learning objective: To build a sophisticated vocabulary bank for describing transport in Spanish, ensuring accurate pronunciation and context-appropriate usage.

Key Vocabulary

Use this reference mat to help you discuss how you travel. The words are categorised by the method of transport. Rosa the parrot suggests you practise saying these aloud to improve your fluency!

Explain why it is ...	Compare and con...	Justify your ans... If you were travelling acr...
What might happ...	Identify which tw...	Create a sentence...
