

Max's Math Store: Sorting Fronted Adverbials

Learning objective: To identify and use fronted adverbials to describe when or how an action happens.

Max the monkey is opening a store! He needs to describe when and how things happen in his store. Match the fronted adverbials on the left to the correct store sentences on the right. Write the full sentence on the answer line.

Word bank: Carefully · Every morning · Quietly · After the bell rings · Happily

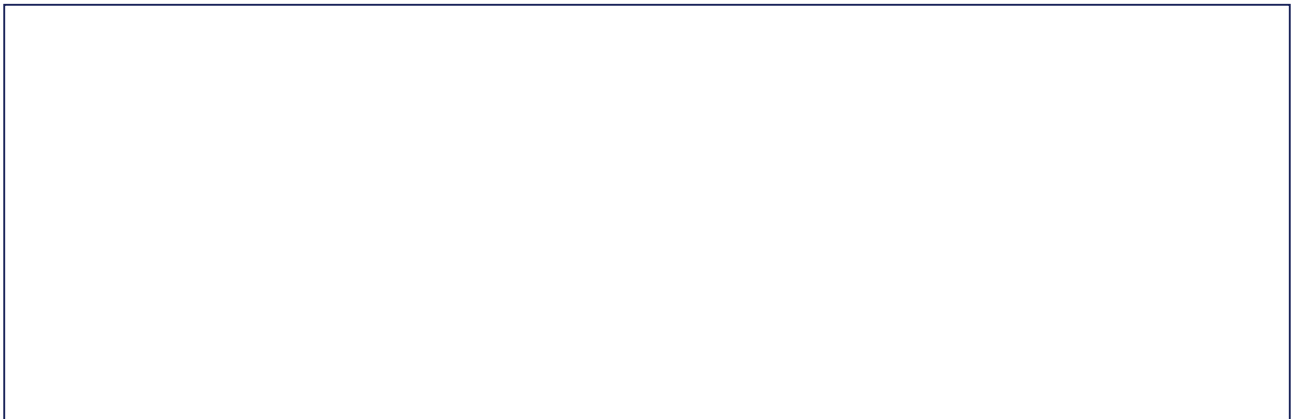

1. 1. [_____], Max opens his store doors. (2 marks)

2. 2. [_____], Max counts his shiny coins. (2 marks)

3. 3. [_____], he picks up a heavy bag of fruit. (2 marks)

4. 4. [_____], the customers walk into the store. (2 marks)

Draw: Draw Max the monkey behind a store counter. Draw a sign above him that says 'Max's Store'.

Extension challenge: Can you write your own sentence starting with 'Suddenly'? Write it here: _____
