

Finn's Brilliant Biome Quiz

Learning objective: To identify and describe different biomes found on Earth.

Hello! I am Finn the dolphin. I travel the world and see many different places. Use the word bank to help you answer these questions. Read each question carefully.

Answer Key: 1. A (Rainforest), 2. True, 3. False, 4. B (Desert), 5. Polar, 6. False, 7. C (Grassland), 8. True, 9. Rainforest, 10. True.

Word bank: Desert · Rainforest · Polar · Grassland · True · False

1. 1. Which biome is very hot and gets lots of rain? A) Rainforest* B) Polar C) Desert (1 mark)

2. 2. True or False: A desert is a place that gets very little rain. (1 mark)

3. 3. True or False: You would find a polar bear in the hot desert. (1 mark)

4. 4. Which biome has very little water and sandy ground? A) Rainforest B) Desert* C) Polar (1 mark)

5. 5. Which biome is covered in thick ice and snow? (1 mark)

6. 6. True or False: Rainforests have very few trees. (1 mark)

7. 7. Where do you see wide, open fields of grass? A) Polar B) Rainforest C) Grassland* (1 mark)

8. 8. True or False: A biome is a large area with its own special weather and animals. (1 mark)

9. 9. In which biome would you find monkeys swinging in the trees? (1 mark)

10. 10. True or False: Polar biomes are extremely cold. (1 mark)

Draw: Draw your favorite biome. Make sure to draw one animal that lives there!

Extension challenge: Pick two biomes. Write one sentence to explain how they are different. Start your sentence with: 'A desert is... but a rainforest is...'
