

Finn's Ocean and Continent Map Hunt

Learning objective: To identify and name the seven continents and five oceans of the world.

Finn the dolphin is swimming around the world! Help Finn by labelling the map. Look at the word bank and write the correct name for each continent and ocean in the boxes on the map. Use the clues to help you.

Word bank: Europe · Asia · Africa · North America · South America · Antarctica · Australia · Pacific Ocean · Atlantic Ocean · Indian Ocean · Southern Ocean · Arctic Ocean

1. Finn is swimming in the largest ocean. Which ocean is it? Start your answer: The largest ocean is the... (2 marks)

2. Name the continent where we live. Start your answer: We live in the continent of... (2 marks)

3. Which continent is at the very bottom of the world and is covered in ice? Start your answer: The icy continent is... (2 marks)

4. Which ocean is between North America and Europe? Start your answer: The ocean between them is the... (2 marks)

Draw: Draw a map of the world. Draw Finn the dolphin swimming in the Atlantic Ocean and draw a small star to show where you live.

Extension challenge: Can you color the seven continents in different colors? Use a blue pencil to shade in all five of the oceans.
