

Finn's River Adventure Quiz

Learning objective: To identify the key features of a river and understand the journey from source to mouth.

Hello! I am Finn the dolphin. I love exploring rivers! Read each question carefully. Use the word bank to help you spell the tricky words. You can do it!

Answer Key: 1. A, 2. True, 3. Source, 4. B, 5. True, 6. Mouth, 7. C, 8. False, 9. Meander, 10. True.

Word bank: Source · Mouth · Meander · Channel · Bank

1. 1. What is the start of a river called? A) Source* B) End C) Sea D) Pond (1 mark)

2. 2. True or False: Rivers always flow downhill towards the sea. (1 mark)

3. 3. Where does a river usually begin its journey? (Write one word from the word bank) (1 mark)

4. 4. What do we call the land at the side of a river? A) A hill B) A bank* C) A cloud D) A bridge (1 mark)

5. 5. True or False: A river ends at the mouth. (1 mark)

6. 6. What is the end of the river called where it meets the sea? (1 mark)

7. 7. What is a big bend in a river called? A) A circle B) A straight line C) A meander* D) A puddle (1 mark)

8. 8. True or False: All rivers are straight lines. (1 mark)

9. 9. Fill in the blank: A bend in the river is a _____. (1 mark)

10. 10. True or False: The path a river flows along is called the channel. (1 mark)

Draw: Draw a picture of a river starting at a mountain (the source) and flowing all the way to the sea (the mouth). Don't forget to draw a meander (a bend)!

Extension challenge: Imagine you are a tiny leaf floating down the river. Write one sentence about what you see on the riverbank as you float past.
