

Finn's Volcano Explorer Sheet

Learning objective: To identify and label the key parts of a volcano.

Finn the dolphin is exploring a volcanic island! Help him label the parts of the volcano. Use the word bank to help you.

Draw: Draw a large volcano on a tropical island. The style should be clear and simple. Include a hole at the top (the crater), liquid flowing down the side (lava), a big grey cloud above the peak (ash cloud), and a path leading from the ground up through the middle of the mountain (the vent).

Label words: Crater · Lava · Magma · Vent · Ash Cloud

Steps:

1. Step 1: Draw a tall mountain shape with a hole at the top. Label the hole at the top as the 'Crater'.
2. Step 2: Draw a red line coming out of the top and down the side. Label this as 'Lava'.
3. Step 3: Draw a grey cloud at the very top. Label this as the 'Ash Cloud'.
4. Step 4: Draw a line inside the mountain pointing to the middle. Label this as 'Magma'.
