

Ellie's Ancient Egypt Drawing Adventure

Learning objective: To identify and illustrate key features of Ancient Egyptian civilisation.

Follow the steps below to complete your Ancient Egypt scene. Use your best drawing skills to add detail to your picture.

Draw: Draw a sunny desert scene. Include a large pyramid in the background. In the foreground, draw a wide, flowing river. Add a person standing by the river holding a scroll with symbols on it. Use bright colors like yellow for the sand and blue for the water.

Label words: Pyramid · River Nile · Pharaoh · Papyrus · Hieroglyphics

Steps:

1. Step 1: Draw a large triangle shape to be the Pyramid. Label it with the word 'Pyramid'.
2. Step 2: Draw a wavy line across the bottom of your page to be the River Nile. Label it.
3. Step 3: Draw a person wearing a crown near the river. This is the Pharaoh. Label them.
4. Step 4: Draw some small symbols on a scroll of paper to show Hieroglyphics. Label them.
