

Max's Easter Math Flashcards

Learning objective: To practice addition, subtraction, and money problems using an Easter theme.

Read the front of the card. Try to work out the answer in your head or on a piece of paper. Flip the card or look at the answer to check your work. Ask Max the monkey if you need help!

Max has £5.00. He spends £2.50 on chocolate eggs.
How much does he have left?
