

Max the Monkey's Rounding Word Mat

Learning objective: To understand and use mathematical vocabulary for rounding numbers to the nearest 10, 100, and 1000.

Key Vocabulary

Use this mat to help you with your rounding work. Look at the categories to find the word you need. Max the Monkey uses these words to solve his math puzzles!

Rounding Changing a number to a simpler ...	Estimate A sensible guess used to find an a...	Digit Any of the symbols 0, 1, 2, 3, 4, 5, 6, 7,...
