

# Max's Busy Day: A Time Planner

*Learning objective: To read, write and convert time between analogue and digital 12-hour clocks and calculate durations.*

Max the monkey is planning his day. Use the template below to help him organize his activities. Fill in the times for each part of his day. Remember to use am or pm.

*Word bank: analogue · digital · o'clock · half past · quarter past · quarter to · duration · midday · midnight*

**1. Max starts his day at: (Write the time in digital format) (2 marks)**

---

**2. Max eats lunch at: (Write the time in analogue words, e.g., half past twelve) (2 marks)**

---

---

**3. Max plays math games for 30 minutes. If he starts at 2:00 pm, what time does he finish? (2 marks)**

---

---

**4. Max goes to sleep at: (Write the time in digital format) (2 marks)**

---

*Extension challenge: If Max starts reading his book at 4:15 pm and stops at 5:00 pm, how many minutes did he spend reading?*
