

Max the Monkey's Time-Telling Flashcards

Learning objective: To tell the time to the hour and half-past the hour, and recognize the sequence of time.

Read the question on the front of the card. Think about what Max the Monkey would say, then check the answer on the back to see if you are right!

What is the name of the short hand on a clock?

The hour hand.

What is the name of the long hand on a clock?

The minute hand.

If the long hand is pointing at the 12, what time is it?

It is o'clock.

If the long hand is pointing at the 6, what time is it?

It is half-past.

Max looks at his clock. The short hand is on 3 and the long hand is on 12. What time is it?

3 o'clock.

Max looks at his clock. The short hand is between 4 and 5, and the long hand is on 6. What time is it?

Half-past 4.

How many minutes are in one hour?

60 minutes.

Which way do the hands move on a clock?

Clockwise.

What comes after Monday?

Tuesday.

How many days are in one week?

7 days.

If Max starts his lunch at 12 o'clock and finishes at 1 o'clock, how long was his lunch?

One hour.

Is it morning or afternoon when the clock shows 9 o'clock after breakfast?

Morning.
