

Max’s Math Challenge: Word Problem Word Mat

Learning objective: To identify and apply key mathematical vocabulary to solve multi-step word problems involving the four operations.

Key Vocabulary

Use this reference mat to help you decode word problems. Look for the "clue words" that tell you which operation to use. Max the monkey uses these to solve his toughest puzzles!

Max has 150 ban...	If a problem asks ...	Explain why 'est...
Write a word prob...	What does the 'in...
