

Kit's Online Safety Fact-File

Learning objective: To identify how to stay safe and be kind when using the internet.

Hello! Kit the fox wants to help you stay safe when you use a computer or tablet. Read each box carefully. Think about what you have learned about being online. Write your answers in the spaces provided. If you get stuck, look at the word bank at the bottom of the page.

Word bank: Private · Kind · Password · Adult · Trust · Screen

1. My Secret Password: Why is it important to keep your password private? Write one reason here. (2 marks)

2. Being Kind Online: How can you show you are being a kind friend to someone when you are chatting online? (2 marks)

3. Asking for Help: If you see something online that makes you feel worried or unhappy, who should you tell? (2 marks)

4. Personal Information: List two things about yourself that you should never share with strangers online (for example, your home address). (2 marks)

Extension challenge: On the back of this sheet, draw a picture of a 'Safety Shield'. Inside the shield, write three golden rules for using the internet.
