

Staying Safe Online with Kit the Fox

Learning objective: To know how to stay safe online and understand what to do if something makes me feel worried or uncomfortable.

Read each question carefully. Use the word bank if you get stuck. Write your answers in the boxes provided.

Word bank: Trusted adult · Password · Personal information · Private · Report · Kind

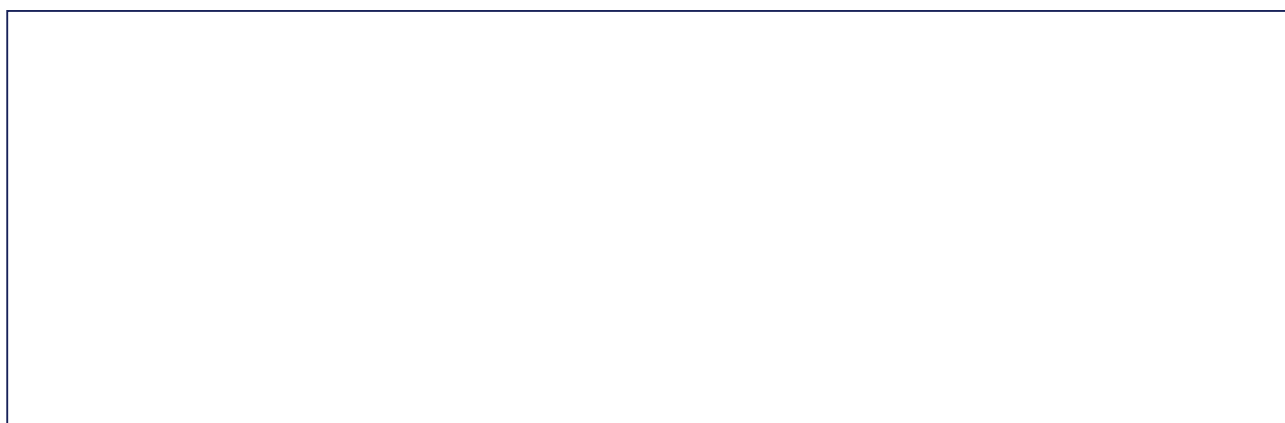

1. Kit the Fox has a secret code to get into his tablet. What is this secret code called? (1 mark)

2. Name two things that are 'personal information' that you should never share online. (2 marks)

3. If you see something online that makes you feel sad or worried, who is the first person you should tell? (2 marks)

4. Why should we always be polite and kind when we talk to people online? (2 marks)

Draw: Draw a picture of yourself telling a trusted adult about something you found on a computer that made you feel worried.

Extension challenge: Write a short sentence about one rule you follow to keep your information safe when you use a computer at home or school.
