

Keeping Safe with Kit

Learning objective: To identify trusted adults and safe places in our community.

Look at the drawing prompt. Follow the steps below to complete your safety scene. Use the word bank to help you label your picture.

Draw: Draw a bright, colorful scene in a park or on a high street. Include Kit the fox, yourself, and a trusted adult. The style should be clear and friendly, like a cartoon. Include a building in the background that represents a safe place (like a school, a library, or a police station). Add speech bubbles showing you and Kit asking for help or saying hello to the trusted adult.
