- **Easter is a very important festival for Christians. It celebrates the belief in new life and hope.**
- **Many people enjoy giving eggs at Easter. Eggs are a symbol of new life, just like a chick hatching from a shell.**
- **The period before Easter is called Lent. It is a time when people think about helping others and being kind.**
- **Springtime is a big part of Easter. Flowers start to bloom, and the days become much longer and brighter.**
- **Families often gather together to share a meal and celebrate the joy of the season with their friends.**
