

Making Kind Choices with Leo the Lion

Learning objective: To think about moral choices and how our actions affect others.

Follow the steps below to complete your drawing. Think about what a 'kind choice' looks like. Use the word bank to help you label your picture.

Draw: Draw a scene featuring Leo the Lion. In the drawing, Leo should be sharing a toy or a snack with a friend. Use bright, warm colors to show that this is a happy, kind moment. Include speech bubbles if you like, showing Leo saying something polite like 'Would you like to play?'
