

Remembrance Day Drawing Sheet

Learning objective: To understand the symbols of Remembrance Day and reflect on the importance of peace.

Follow the steps below to create your Remembrance Day drawing. You can use pencils, felt tips, or crayons. Remember to take your time and think about why these symbols are important.

Draw: Draw a bright red poppy in the center of the page. Use a dark green color for the stem and leaves. In the background, draw a soft blue sky or a quiet field. The style should be respectful and clear. You may add small details like rain droplets or grass at the bottom to show where the poppy is growing.

Label words: Poppy · Petals · Peace · Remembrance · Field · Respect

Steps:

1. Step 1: Draw a large poppy in the center of your page. What color should the petals be?
2. Step 2: Draw a green stem for your poppy. Add a leaf to the side.
3. Step 3: Draw a peaceful sky in the background behind the flower.
4. Step 4: Use the word bank to label your drawing with two words.
