Bonfire Night Fun with Nova

Learning objective: To use descriptive language and labels to create a detailed scene of a Bonfire Night celebration.

Hello! Nova the owl is watching the fireworks from her tree. Use the space below to draw a bright Bonfire Night scene. Follow the steps to help you add detail to your picture.

Draw: Draw a nighttime scene. In the centre, draw a bonfire with orange and yellow flames. Around the bonfire, draw a happy child holding a glowing sparkler. Above them, draw the night sky filled with large, colourful star-shaped fireworks. In the corner, draw Nova the owl sitting on a sturdy tree branch looking down at the fun.

Label words: sparkler · firework · bonfire · night sky · glow · bright · crackle

Steps:

1. Step 1: Draw a big, warm bonfire in the middle of the page. What is it made of? Label the wood.
2. Step 2: Draw a child holding a bright sparkler. Write a word to describe how the sparkler looks.
3. Step 3: Draw colourful fireworks in the sky. Use bright colours like red, blue, and gold.
4. Step 4: Nova the owl is watching from above. Draw her in a tree. Write a sentence about what she sees.
