

Celebrating Black History: Our Heroes and Their Stories

Be a history explorer! Discover the people who changed the world.

- **Mary Seacole** was a pioneer who showed great courage and compassion by helping others in need.
- **Walter Tull** was a trailblazer who became one of the first Black professional footballers in Britain and later showed bravery as an officer in the First World War.
- **Rosa Parks** is famous for her quiet strength and for taking a stand for fairness and equality in her community.
- **Benjamin Zephaniah** was a brilliant poet and writer who used his love for words to share stories about our world.
- **Black History Month** is a time for us to learn about these amazing stories and celebrate the many ways different people have shaped our lives.

Did you know? Did you know that Mary Seacole, a brave nurse in the 1800s, used her own money and resources to travel to the Crimean War? She set up the 'British Hotel' to provide food, comfort, and care for wounded soldiers. She is remembered today for her incredible kindness and resilience!
