Social Studies / History Assessment: Significant Figures in Black Social Studies / History

Learning objective: To understand the contributions of significant Black historical figures and the impact of their actions on society.

Read each question carefully. Use the word bank to help you with your answers. Write clearly in full sentences where required.

Social Studies / History is shaped by people who have the courage to stand up for what is right. Mary Seacole, born in Jamaica, was a kind healer who travelled to the Crimean War to care for wounded soldiers. She used her own money to build the 'British Hotel' to provide food and medicine. Rosa Parks was a woman in America who became famous for her bravery. By refusing to give up her seat on a bus, she showed the world that everyone deserves to be treated with fairness and respect. Both women changed the world through their actions.
