

PSHE Assessment: Celebrating Diversity and Black History

Learning objective: To recognise the importance of Black History Month, celebrate individual achievements, and understand why we treat everyone with kindness and respect.

Read each question carefully. Write your answers in the spaces provided. Remember to use your best handwriting and clear sentences.

Black History Month is a special time when we learn about the important things people from Black backgrounds have done in the past and are doing today. It is a time to celebrate their bravery, their clever ideas, and their hard work. By learning about different stories, we learn how to be better friends and how to make sure everyone is treated fairly.
