

Bonfire Night with Leo the Lion

Learning objective: To learn about the traditions of Bonfire Night and represent them through drawing.

Leo the Lion is getting ready for a safe Bonfire Night party! Follow the steps below to draw your own celebration scene. Use your best colours.

Draw: Create a nocturnal scene showing a warm bonfire in a park. Include Leo the Lion wearing a cosy scarf and mittens. Add 'exploding' firework shapes in the dark blue sky. The style should be bright and festive with bold, clear lines.

Label words: bonfire · fireworks · sparkler · scarf · glow

Steps:

1. Step 1: Draw a big, bright bonfire in the middle of your page. Draw Leo the Lion standing a safe distance away from it.
2. Step 2: Draw some colourful fireworks in the night sky. Use bright yellows, reds, and blues.
3. Step 3: Draw a small, safe sparkler in Leo's paw. Don't forget to draw a scarf on Leo to keep him warm!
4. Step 4: Use the word bank to label your drawing. Draw an arrow pointing to the fire and write 'bonfire'.
