

Celebrating Remarkable People: Black History Month

Explore, Celebrate, and Inspire: Discover the heroes who changed our world!

- **Mary Seacole** was a brave nurse who travelled a long way to care for soldiers during the Crimean War. She used her knowledge of medicine to help those in need.
- **Walter Tull** was a pioneer. He was one of the first Black professional footballers in England and later became a brave officer in the army during the First World War.
- **Lenny Henry** is a famous British actor and comedian who works hard to make sure that everyone, no matter their background, has the chance to succeed in television.
- **John Edmonstone** taught Charles Darwin how to preserve specimens of birds and insects. His skills helped Darwin develop important scientific theories.
- **Celebrating Black History Month** helps us learn about the past so we can build a fairer and kinder future for everyone.

Did you know? Did you know? Black History Month is celebrated in the UK every October! It is a special time to shine a light on the incredible stories of Black people throughout history, from scientists and inventors to artists and leaders who have helped shape the world we live in today.
