Max’s Non-Verbal Reasoning Word Mat

Learning objective: To understand and define key vocabulary used to identify patterns, shapes, and logical sequences in non-verbal reasoning tasks.

Key Vocabulary

Use this mat to help you solve Max the Monkey’s logic puzzles. The terms are grouped by how they describe shapes and patterns. Study the definitions to help you spot the rules in each sequence.

Max has a square… Rotation, Reflection, or…	**If a shape turns 9…**	**Explain the differ…**
If two shapes are …	**Max looks at a sh…**
