

Celebrating Remarkable People

Learning objective: To recognise the achievements of significant Black historical figures and understand the importance of equality and celebrating diversity.

Read each question carefully and use your knowledge of famous historical figures to answer in full sentences. Think about how these individuals helped make the world a fairer place.

This month, we are learning about people from history who changed the world through their bravery and kindness. We celebrate the contributions of Black people to our society, including those who fought for fairness and those who worked hard to look after others in times of need.
