Celebrating Black History Month with Ellie

Join Ellie the Elephant on a journey of discovery and kindness!

- **Black History Month is a time to learn about the amazing stories and achievements of Black people.**
- **We celebrate the brave people who worked hard to make sure everyone is treated with fairness and kindness.**
- **History is made by people every day. When we share these stories, we learn more about our friends and neighbours.**
- **Black people have made wonderful inventions in science, medicine, music, and art that we still use today.**
- **By remembering the past, we can work together to build a future where everyone feels welcome and valued.**

Did you know? Did you know that Black History Month started in the UK in 1987? It is a special time for us to learn about the brilliant people who have helped make our country and the world a better place to live.
