Celebrating Black History Month

Join Ellie and Leo on a journey of discovery: Celebrating Our Shared History!

- **Black History Month is a time to learn about the many achievements of Black people in science, art, and sport.**
- **We remember Mary Seacole, a brave nurse who helped many soldiers during the Crimean War.**
- **We celebrate inventors like Walter Tull, who was a professional footballer and a leader in the army.**
- **Learning about history helps us to understand and respect everyone in our community.**
- **By sharing these stories, we can all be inspired to do great things and be kind to one another.**

> *Did you know? Did you know? Black History Month is celebrated in October in the UK. It is a special time to share stories about people who have made our world a better, kinder place to live.*

Key vocabulary: Achievement · Contribution · Diversity · History · Inspiration · Respect
