

# Celebrating Our Unique Community: A Diversity Fact-File

*Learning objective: To understand and celebrate the diversity within our school and wider community, recognising the value of different backgrounds, beliefs, and abilities.*

Use this fact-file template to explore the wonderful differences that make our community special. Think about the unique qualities that you, your friends, and the BookFlik characters bring to the world. Research or reflect on how these differences create a stronger, kinder society.

*Word bank: Diversity · Inclusion · Perspective · Unique · Empathy · Community · Belonging · Background · Culture · Respect*

**1. The Beauty of Differences: Describe a talent or personal quality that makes you unique. How does this contribute to your class community? (2 marks)**
