Kit’s Cyber-Safety Challenge

Learning objective: To understand how to stay safe, respectful, and responsible when using the internet and digital devices.

Help Kit the fox solve these digital dilemmas! Read each question carefully and choose the best way to stay safe online.

Answer Key: 1.C, 2.B, 3.False, 4.True, 5.Password, 6.B, 7.True, 8.Report, 9.A, 10.False

Word bank: Password · Privacy · Cyber-bullying · Report · Stranger · Personal information

1. 1. You are playing an online game and someone asks for your home address. What should you do? A) Give it to them. B) Give them your school address instead. C) Tell a trusted adult immediately. D) Ignore them but keep playing. *Answer: C (1 mark)

2. 2. Which of these is a good, strong password? A) 123456. B) Blue-Fox-Jump-99. C) YourName1. D) Password123. *Answer: B (1 mark)

3. 3. True or False: It is perfectly safe to meet up with someone you met only on the internet without telling your parents or carers. *Answer: False (1 mark)

4. 4. True or False: If you see something online that makes you feel worried or uncomfortable, you should tell an adult you trust. *Answer: True (1 mark)

5. 5. What is the secret code you use to protect your online accounts called? (1 word) *Answer: Password (1 mark)

6. 6. If a friend sends a mean message about someone else to a group chat, what is the best thing to do? A) Forward it to everyone. B) Don't join in, and tell a trusted adult. C) Write a meaner message back. D) Delete it and say nothing. *Answer: B (1 mark)

7. 7. True or False: You should never share your personal information (like your full name or school name) with people you don't know online. *Answer: True (1 mark)

8. 8. What should you do if you see a 'Report' button on a website or app? (1 word) *Answer: Report (1 mark)

9. 9. Why is it important to have 'privacy settings' on your social media or game profiles? A) To keep your information limited to people you know. B) So you can win more games. C) To make your profile look colourful. D) It isn't important. *Answer: A (1 mark)

10. 10. True or False: Everything you read on the internet is always 100% true. *Answer: False (1 mark)

Draw: Draw a 'Digital Safety Shield'. Inside the shield, draw three symbols that represent ways to stay safe online, such as a padlock for passwords or a speech bubble for talking to an adult.

Extension challenge: Imagine you are designing a new app. Write a list of three 'Golden Rules' that all users must agree to before they can start playing, to ensure everyone stays kind and safe.
