A Bright Bonfire Night with Nova

Learning objective: To learn about the history and traditions of Bonfire Night while developing fine motor skills through colouring.

Colour in the picture of Nova the owl enjoying the bonfire festivities. Read the fun facts to learn why we celebrate this night in the UK.

Colour this: A detailed line-art illustration featuring Nova the barn owl standing on a wooden fence, wearing a warm knitted scarf. In the background, there is a large, crackling bonfire made of stacked logs with bright, swirling flames. Above the bonfire, the night sky is filled with large, circular firework bursts featuring patterns of stars and zig-zags. In the foreground, there are two small potatoes wrapped in foil sitting near the base of the bonfire. The scene should have clear, thick outlines suitable for children aged 6-7 to colour in.

Steps:

1. Label the firework in the sky.
2. Label the bonfire logs.
