

A Bright Night with Nova

Join Nova the Owl for a sparkling guide to Bonfire Night!

- Bonfire Night happens on the 5th of November to mark a special date in our history.
- People build large bonfires to keep warm and gather together outdoors.
- Bright, colourful fireworks are set off to light up the night sky.
- Many families enjoy eating warm treats like toffee apples or jacket potatoes.
- Always stay a safe distance back from the fire and follow safety rules with sparklers.

Did you know? Did you know? Bonfire Night is held on the 5th of November every year! People light large fires and watch colourful fireworks in the sky to remember a famous event from history that happened in 1605.
