A Bright Night with Nova

Wrap up warm and join Nova the owl for a sparkling night of history!

- **Bonfire Night is celebrated every year on the 5th of November.**
- **People build large fires called bonfires to stay warm outside.**
- **Bright fireworks zoom into the sky and make colorful patterns.**
- **Many people enjoy eating warm treats like toffee apples on this night.**
- **Always stay a safe distance back from the fire with a grown-up.**

Did you know? Did you know? The very first fireworks were invented a long time ago in China, but today we set them off on the 5th of November to remember a famous story from the past!
