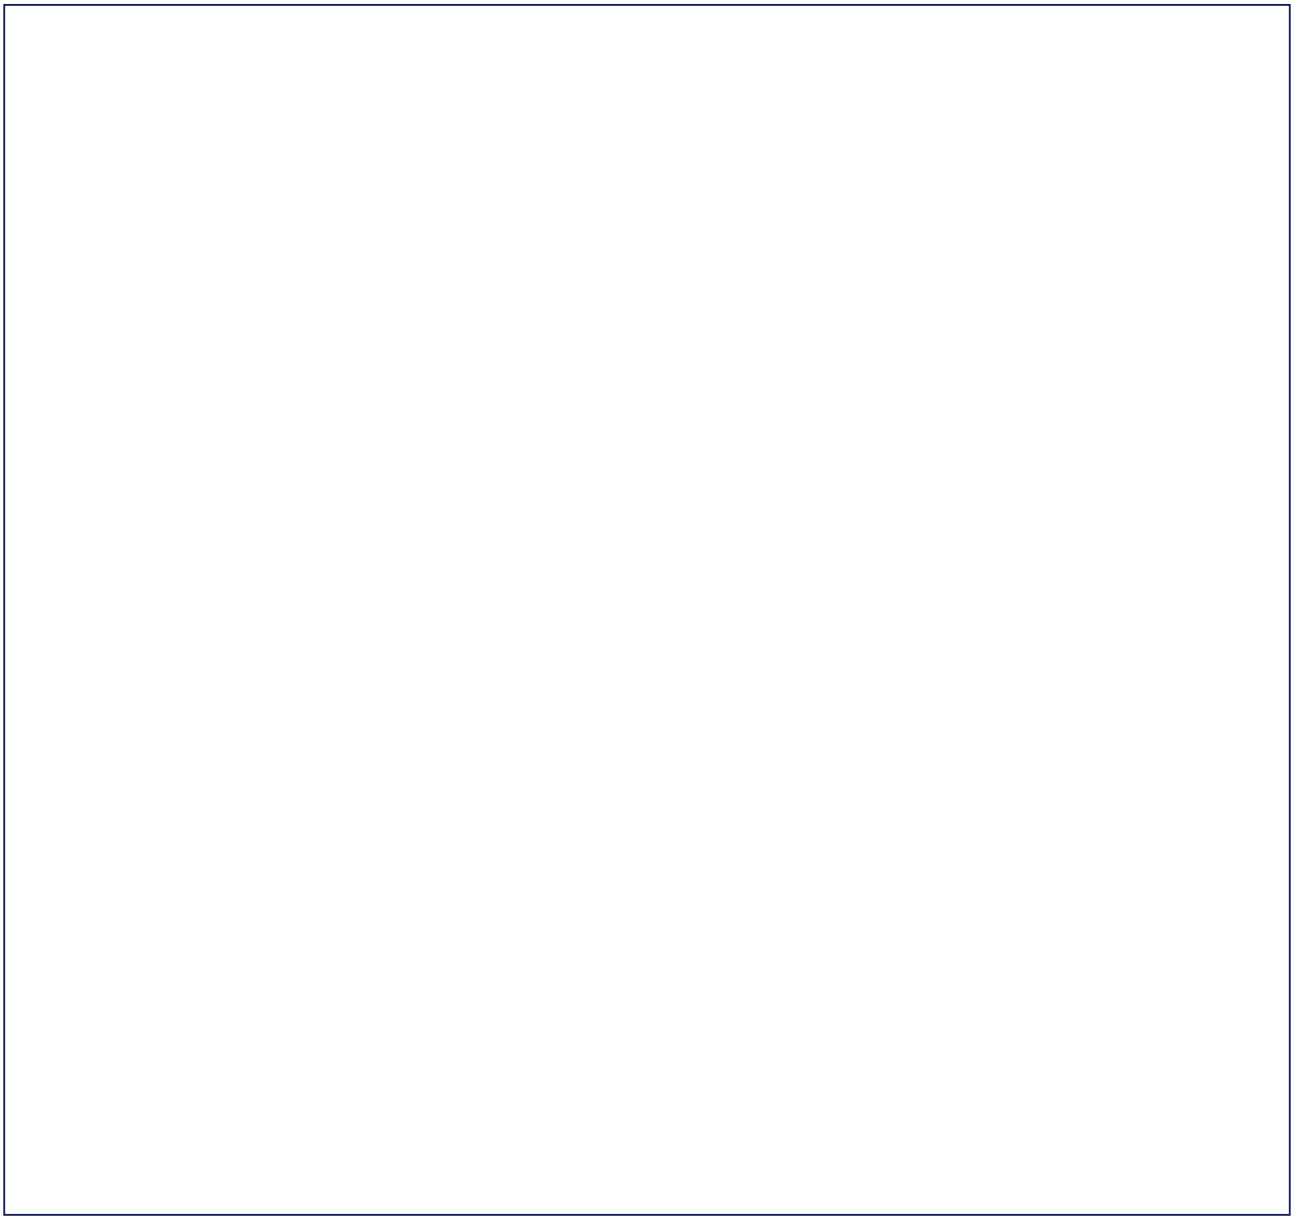
Celebrating Amazing People: Black History Month

Learning objective: To learn about inspirational figures from Black history and understand the importance of celebrating diverse achievements.

Read the facts below, then color in the scene. Use your brightest colors to make the picture of Ellie and her friends stand out!

Colour this: A warm, inviting classroom scene. In the center, Ellie the elephant is standing next to a large display board titled 'History Heroes'. On the display board, there are simple, friendly illustrations of three historical figures (a scientist in a lab coat, an inventor with a lightbulb, and a leader holding a book). Ellie is wearing a colorful scarf and holding a book titled 'Great Stories'. There are flowers and stars drawn around the border of the display board for coloring. The background shows a cosy library corner with shelves of books and a small table with a globe.



Steps:

1. Label the portrait of a historical figure hanging on the wall.

2. Label the book that Ellie is holding about history.
