Celebrating Heroes: My History Picture

Learning objective: To learn about people who have made a positive difference in the world and express this through drawing.

Today we are thinking about Black History Month. We remember people who have helped others or changed the world for the better. Follow the steps below to create your picture.

Draw: Draw a picture of your chosen hero in the center of the box. Around them, draw things they might have used or places they visited. Use bright colors to show how important their work is. If you like, draw yourself standing next to them as a sign of respect.

Label words: Hero · Kindness · Change · History · Courage

Steps:

1. Step 1: Think of a person who is a hero to you. Write their name here.
2. Step 2: What is one kind thing this person did? Use a sentence starter: They were kind because...
3. Step 3: Label your drawing. Which word from the word bank describes your hero best?
