# Finn’s UK Regions Fact-File

*Learning objective: To identify and describe the key features of the different regions of the United Kingdom.*

Join Finn the dolphin on a journey around the United Kingdom! Choose one of the four nations (England, Scotland, Wales, or Northern Ireland) or a specific region to research. Use your geography textbook or a classroom atlas to complete the fact-file boxes below. Remember to include information about the landscape, the main city, and a famous landmark.

*Word bank: Capital city · Coastline · Mountain range · Population · Landmark · Region · Climate · United Kingdom*

**1. Location and Capital: Which region or nation have you chosen to study? What is its capital city and where is it located on the map? (2 marks)**

**2. Physical Geography: Describe the landscape of this region. Are there mountains, rivers, or a long coastline? What is the land like? (3 marks)**

**3. Human Geography: What is one famous landmark or city found in this region? Why do people like to visit this place? (2 marks)**

**4. Weather and Climate: What is the weather usually like in this part of the UK? Does it get a lot of rain or is it quite mild? (2 marks)**

**5. Finn’s Fun Fact: Find one interesting or unique fact about this region that you didn't know before today. (1 mark)**

*Extension challenge: Imagine you are a tour guide! Write a short paragraph (3-4 sentences) explaining why a visitor should travel to the region you researched. Include one exciting activity they could do there.*
