Exploring Asia with Finn the Dolphin

Learning objective: To write a descriptive report about the continent of Asia, including its physical features, climate, and human geography.

Use this writing frame to help you organise your report about Asia. Remember to use capital letters for the names of countries and oceans. Finn the Dolphin has helped you start your sentences, but you need to add the important facts!

Asia is the largest and most populated continent on our planet, stretching from the icy Arctic in the north to the tropical islands of the south.

Word bank: Furthermore · On the other hand · In addition · Specifically · However · Located in · Spanning across · Diverse · Climate · Landmarks

1. Location and Geography: Asia is located... [describe which oceans border Asia and mention at least two countries]. (2 marks)

2. Climate and Weather: The weather across Asia changes because... [explain why the climate is different in the north compared to the south]. (2 marks)

3. Famous Landscapes: One amazing physical feature in Asia is... [describe a mountain range, desert, or river]. (2 marks)

4. Human Geography: Many people in Asia live in... [describe a busy city or a rural area and what life might be like there]. (2 marks)

5. Conclusion: I think Asia is a fascinating continent because... [summarise your favourite fact]. (2 marks)

Extension challenge: Can you use an atlas or a globe to find the capital cities of three different Asian countries and add them to your report?
