Exploring the World of Abstract Art

Learning objective: I can understand and apply the principles of abstract art to create and analyse my own compositions.

About 15 minutes. Grown-up tip: Encourage your child to look for abstract patterns in natural objects like tree bark or pebbles.

Key Vocabulary

Use this vocabulary mat to understand how artists move away from realistic representation. Abstract art focuses on emotions, shapes, and colours rather than an exact picture. Example: If you choose 'Primary Colours', you are using red, yellow, and blue as the base for your design.
