Zara’s Wonderful Landscape Flashcards

Learning objective: I can identify and describe the key features of landscape art.

About 15 minutes. Grown-up tip: Ask your child to find the horizon line in a photo or a real view out of the window.

Read the term on the front of the card. Try to remember what it means before checking the answer on the back. Example: If the card says 'Horizon Line', the answer is 'The line where the earth meets the sky'.
