Mastering the Art of Watercolours

Learning objective: I can identify and apply key watercolour techniques to create light, depth and texture in my artwork.

About 15 minutes. Grown-up tip: Encourage your child to practise mixing colours on a scrap piece of paper before starting their final artwork.

Key Vocabulary

Use this reference mat to help you understand how to control your paints. Think about how Zara the zebra uses patterns and transparency in her designs.

Example: To create a 'Wash', you mix a large amount of water with a small amount of pigment to create a light, transparent layer of colour.
