Kit’s Clever Computing: Staying Safe Online

Learning objective: I can explain how to stay safe and behave kindly when using the internet.

About 15 minutes. Grown-up tip: Please sit with your child while they complete this quiz to discuss any questions they might have about their online experiences.

Read each question carefully. Some ask you to pick the best answer (A, B, C, or D), while others ask for True or False or a quick answer. Example: If you receive an unkind message, you should: A) Reply back, B) Tell a trusted adult*. Remember, if something feels wrong, always ask for help!

Answer Key: 1.C, 2.True, 3.B, 4.A, 5.Trusted adult, 6.False, 7.D, 8.True, 9.Password, 10.B. Explanation: Staying safe online is like staying safe in the playground. Keep your details secret, be kind to friends, and always ask a teacher or parent if you feel worried or unsure about something you see on a screen.
